

Becoming a Contributor

Let us know how'd you like to contribute. We grant access to specific shelves and books based on your interest level.

Then, follow the [organizational principles and formatting methodology](#).

Then, [follow the rules](#).

We are still working on our approach to how we want to curate and organize various contributions. It will likely be an organic process that takes time to figure out. We welcome comments and ideas for how to best approach this project.

Revision #11
